The Honorable Anna Eshoo, Chairwoman
Subcommittee on Health
U.S. House of Representatives
272 Cannon House Office Building
Washington, DC 20515-0518

Dear Chairwoman Eshoo:

On behalf of the more than 2 million retirees and future retirees represented by the National Retiree Legislative Network (NRLN), I am requesting that you call for a vote in the Subcommittee on Health on **H.R.366, Protecting Access to Post-COVID-19 Telehealth Act of 2021.**

This bipartisan bill would ensure the continued use of telehealth after the Coronavirus public health emergency by eliminating restrictions on the use in Medicare and requiring a study on the use of the telehealth during the pandemic.

Telehealth is especially valuable to seniors because it provides them access to their physicians without leaving their home or assisted living facility.

To learn more about why the NRLN supports **H.R. 366** please ask a member of your staff to contact me or Alyson Parker, the NRLN's Executive Director in Washington, DC at 813-545-6792 or executivedirector@nrln.org.

The NRLN's full Legislative Agenda and detailed whitepapers can be found at www.nrln.org. Your consideration on these issues would be appreciated.

Sincerely,

Bill Kadereit, President,
National Retiree Legislative Network
