The Honorable Brett Guthrie, Ranking Member  
Subcommittee on Health  
U.S. House of Representatives  
2434 Rayburn House Office Building  
Washington, DC 20515-1702

Dear Representative Guthrie:

On behalf of the more than 2 million retirees and future retirees represented by the National Retiree Legislative Network (NRLN), I am requesting that you support calling for a vote in the Subcommittee on Health on **H.R.366, Protecting Access to Post-COVID-19 Telehealth Act of 2021.**

This bipartisan bill would ensure the continued use of telehealth after the Coronavirus public health emergency by eliminating restrictions on the use in Medicare and requiring a study on the use of the telehealth during the pandemic.

Telehealth is especially valuable to seniors because it provides them access to their physicians without leaving their home or assisted living facility.

To learn more about why the NRLN supports **H.R. 366** please ask a member of your staff to contact me or Alyson Parker, the NRLN's Executive Director in Washington, DC at 813-545-6792 or [executivedirector@nrln.org](mailto:executivedirector@nrln.org).

The NRLN's full Legislative Agenda and detailed whitepapers can be found at [www.nrln.org](http://www.nrln.org). Your consideration on these issues would be appreciated.

Sincerely,

Bill Kadereit, President,
