## **NRLN DuPont Retirees Chapter Webpage Updated and Upgraded**

We have updated and upgraded your NRLN/DRC webpage format and content, for improved navigation, reduced visual clutter and ease of readability. Since computer screen sizes and browser font default settings vary, font size control is built into the website: holding down the "Ctrl" key, while you scroll your mouse can increase or decrease the font-size of the text on the entire page, as you prefer (a note of caution: if you enlarge the font to an extreme size, the column containing media articles about DuPont will appear below the first column).

Your comments and questions are always welcome.

**Jim Odle, President, DRC** [odlejk@gmail.com](mailto:odlejk@gmail.com)
