The Honorable Anna Eshoo, Chairwoman
Subcommittee on Health
U.S. House of Representatives
202 Cannon House Office Building
Washington, DC 20515-0518

Dear Chairwoman Eshoo:

On behalf of the more than 2 million retirees and future retirees represented by the National Retiree Legislative Network (NRLN), I am requesting that you call for a vote in the Subcommittee on Health on **H.R. 5216, Quality Care For Nursing Home Residents Act.**

Nursing homes provide essential care for more than 1.3 million Americans every year. The patients and their families depend on these facilities for quality care to survive and to live a fuller life. Passage of **H.R.5216** would represent the first comprehensive legislation to ensure that residents of nursing homes are guaranteed their right to appropriate professional care. The bill:

- establishes higher minimum nurse staffing levels for nursing homes under Medicare and Medicaid;
- expands training requirements and supervision for all nursing staff;
- creates whistleblower and other protections for nursing home residents and personnel;
- prohibits the use of forced arbitration agreements between residents and any nursing home entity;
- develops a standardized protocol for nursing facilities to obtain written informed consent from residents for treatment with psychotropic drugs.

To learn more about why the NRLN supports **H.R. 5216**, please ask a member of your staff to contact me or Alyson Parker, the NRLN's Executive Director in Washington, DC at 813-545-6792 or executivedirector@nrln.org.

The NRLN's full Legislative Agenda and detailed whitepapers can be found at www.nrln.org. Your consideration on these issues would be appreciated.

Sincerely,

Bill Kadereit
