The Honorable Cathy McMorris Rodgers, Chair
Committee on Energy and Commerce
U.S. House of Representatives
2188 Rayburn House Office Building
Washington, DC 20515-4705

Dear Chairwoman McMorris Rodgers:

On behalf of the more than 2 million members of the National Retiree Legislative Network (NRLN), I am requesting that you call for a vote in the Committee on Energy and Commerce on **H.R.7623, Telehealth Modernization Act of 2024.**

Passing this bill would permanently extend telehealth, which expires on December 31, 2024. This bill will ensure permanent access to federally qualified health centers and rural health clinics. By increasing telehealth access and providing certainty about its future, more patients, particularly seniors and those in rural areas, will be able to access timely, high-quality care.

If you would like to learn more about why NRLN supports this bill, please contact me or Alyson Parker, NRLN Executive Director in Washington, DC, at parkerstrategies@gmail.com or call 813-545-6792.

Sincerely,

Bill Kadereit, President
National Retiree Legislative Network
